Subject: Richardson International Limited - Vancouver Grain Terminal

Hi Enquete,

The following is answers to your questions sent to Phil Hulina of Richardson International Limited, Vancouver Terminal

Questions / Requests for Information Required:

1. What is the track capacity of your terminal (how many cars can your terminal receive at one time)

220 cars utilizing both east and west yards

2. What is the daily unloading capacity (number of cars or container feet) of your terminal?

Max unloading capacity is 300 car per day

3. What was the daily scheduled railcar delivery and actual unloads (number of cars scheduled for delivery and scheduled arrival time) for the periods: October 2017 to January 2018 and October 2018 to January 2019?

See attached spread sheet
