## **General Comment**

Please align your consumer airline travel protections, including benefits, conditions penalties, and timelines, with the best of EU, UK, or US regulations, with which carriers already have to comply, and that also includes all requirements on the regulator, based on those of the EU, UK, or US regulator.

## **Executive summary**

Align requirements with best of EU, UK, US requirements including those on the regulator.

## **Issues**

Differences between Canadian and EU, UK, US requirements increase costs for Canadian carriers, so eliminate those differences by following the best of the EU, UK, US requirements, including those by the regulator.

## **Background**

Eliminating differences in requirements between Canadian and other international regulators will impose no additional burdens on Canadian carriers.

## **Objective**

Align Canadian requirements with the best of EU, UK, US including those on and by the regulator.
