

## **Submitted to the Canadian Transportation Agency (Form submission)**

**Subject:** Consultation on proposed changes to strengthen the Air Passenger Protection Regulations

**Name:** Kerri Froc

**Date:** 2023-07-12

I am a constitutional law professor at the University of New Brunswick. I am providing a submission based on my expertise with legislation and law reform, as well as my experiences with airline delays and cancellations. Specifically, I use a situation in May 2023 that I believe illustrates some of the flaws with the existing Regulations. The document is attached.
