

## **Submitted to the Canadian Transportation Agency (Form submission)**

**Subject:** Consultation on proposed changes to strengthen the Air Passenger Protection Regulations

**Name:** Guy Gingras

**Date:** 2023-07-13

Compensation for Cancelled or Delayed flights should be simplified. Currently, for example Air Canada uses an Online submission form that does NOT allow you to write any words or comments. I was delayed at 3 occasions for the same leg and their systems says I was only delayed once and I can't rectify or comment on the omission in their system.
