

Submitted to the Canadian Transportation Agency (Form submission)

Subject: Consultation on proposed changes to strengthen the Air Passenger Protection Regulations

Name: Paul Hanuschak

Date: 2023-07-11

It would be most simple to match the EU guidelines.

In addition to this, government funded airline salaries should match the private sector salaries in terms of pay, benefits, vacation, sick pay etc...Government needs to be competitive, not superior in terms of regulation and remuneration.
