

Submitted to the Canadian Transportation Agency (Form submission)

Subject: Consultation on proposed changes to strengthen the Air Passenger Protection Regulations

Name: Michael Ouimet

Date: 2023-07-11

It's not complicated, follow the EU regulations. Don't tell us that what Canada has set up matches international regulations because they don't.

Go through the list of complaints with the regulator that should give you a good set of insight.

Do something for Canadians!!
