

## **Submitted to the Canadian Transportation Agency (Form submission)**

**Subject:** Consultation on proposed changes to strengthen the Air Passenger Protection Regulations

**Name:** Philip Robinson

**Date:** 2023-07-11

My concern is the airlines will be required to pay but they will pass these costs to the consumers and I won't be able to afford to fly. You will regulate air travel so much that only the wealthy will be able to afford to fly. Air fare is already expensive for my family, I don't want any regulation that will increase the price. Not sure how the airlines will pay for this without raising prices.
