

Submitted by email to the Canadian Transportation Agency by CNIB

**Subject: Accessible Transportation for Persons with Disabilities Regulations /
Règlement sur les transports accessibles aux personnes handicapées**

Good morning:

Thank you for providing CNIB with an opportunity to comment on the proposed extension.

Would it be possible to have access to submissions which industry has brought forward requesting the extension?

In order for us to provide meaningful comments, it would be extremely helpful to better understand the rationale behind the proposed extension of the ATRPD coming into force.
